

Part-Time Support Worker Required

Orpington, Kent

A driving licence is essential for this role, plus the confidence to transport the client in his own Motability vehicle.

£12.10 per hour weekdays;
£14.21 per hour weekends; and
£8.91 per hour for 8 hours in every sleep-in shift

The shift is every Sunday from 7.30pm to 5.30pm on Monday afternoon.

On behalf of our client, we are recruiting for a support worker to provide support to a 30-year-old man with an acquired brain injury and physical disabilities who lives in his own home with his mother in Orpington.

Our client is a full-time wheelchair user and communicates through Makaton and some British Sign Language. Having recently taken part in a play in his adult education class, he has an interest in special needs theatre. His other interests include table-top arts & craft activity. Our client also enjoys accessing the community in his Motability vehicle, taking part in leisure activities like bowling, and when the opportunity presents itself, going further afield. He has a love of animals and is a keen Chelsea supporter.

Our client enjoys social interaction, meeting new people and taking an interest in their lives. He is keen to encourage signing & Makaton to facilitate better understanding, while enriching his experiences and looking to improve his independence when the opportunity presents itself.

Support Requirements

- Flexibility to cover for holidays and other absences.
- To support our client in all aspects of daily living, including personal and domestic activities.
- To support our client to live a full and active life and to be as independent as possible.
- Up to date DBS enhanced level required – paid for by the employer.
