

1 x Part-time and 1 x Bank Rehab Assistant Required

£15.00 per hour – weekdays and weekends. Time-and-a-half on bank holidays.
A minimum of 1-2 shifts per week that are 4-6 hours duration, to be determined alongside the client and clinical team.
Flexibility to work weekdays, weekends, evenings and bank holidays is essential.

On behalf of our client, Head First is recruiting for rehab assistants to provide support to a 35 year-old man with a traumatic brain injury living in his own home in Ramsgate.

Tasks will include diary management, budgeting support, assisting with psychology and OT rehab aims, community access, appointment support, engagement in physical activity, maintaining a routine, and responding to the client in line with psychology and OT guidance. Please see job description for full details.

Our client demonstrates some challenging behaviour and manipulative tendencies. All staff must work in close contact with MDT team, including the psychologist, occupational therapist, case manager, deputy and drugs counsellor. The role will include close contact with the client's family. Transparency and teamwork within the team are essential, also participation in MDT meetings, supervision, and training.

Support requirements:

- Must have availability to work regular weekly shifts on a part-time contract and/or flexibility to cover staff absences as part of the bank team.
- Must be willing and able to work day, evening, weekend and bank holiday shifts as part of a rota.
- Flexibility is required to accommodate the client's schedule (e.g. appointments or activities that may be outside the regular rota) and so some days may be longer, and others shorter.
- A full driving licence and access to a vehicle for work purposes is essential.
- Up to date DBS at enhanced level required – the employer will pay if you need to apply for one.

About Head First:

Head First do not directly employ Rehab Assistants, but we recruit them on behalf of our clients. The day-to-day management of the Rehab Assistant team is the responsibility of the Head First Case Manager. We provide access to mandatory training and brain injury specific training. Head First also provide regular 1:1 clinical supervision and 24/7 emergency on-call support. We have experienced payroll and human resources teams so Rehab Assistants always have a point of contact for employment and pay queries.
