

Bank Support Workers Required – Horsham, West Sussex Area

£16.78 per hour weekdays and £19.01 per hour weekends

Time and a half on bank holidays

Are you interested in broadening your knowledge and experience in brain injury? Do you want to make a positive difference to someone's life? Have you a passion for development in care and rehabilitation? If you are interested in the care industry, join our team and help someone reach their full potential and live life to the max.

We're looking for a compassionate, client-focused Support Worker to join a dedicated team supporting a young gentleman who enjoys engaging conversation, social outings, and being part of the community. This is a rewarding opportunity for someone who is enthusiastic, friendly and genuinely committed to making a positive impact in someone's everyday life. You will be assisting our client with his care, independence and day-to-day support within his own home, working closely with a supportive and experienced care team.

Our client is a 20-year-old gentleman with cerebral palsy. He lives with his lovely family in Horsham and enjoys the company of others. He is very sociable and has a great sense of humour. He enjoys watching and talking about football, going out and meeting people and playing on his Playstation at home. He uses a wheelchair in the community but can manage short distances with support and a walking aid.

What does the role offer you?

- Induction and training programme offering support and guidance every step of the way.
- Regular supervision/appraisal with your team leader and ongoing support from the wider team and therapists.
- Opportunities to learn, progress and develop in the role – CPD actively encouraged and supported.
- To work as part of a multi-disciplinary team.
- A family-based working environment where no two days are the same.
- Regular shifts available after school, weekends and school holidays

Support requirements:

- Experience of working in a supporting role is desirable.
- Able to deal with sensitive personal care tasks.
- A full driving licence is essential due to the nature of the role, which includes driving the client's automatic car

- Up to date DBS at enhanced level – the employer will pay if you need to apply.
- Applicants must have the right to work in the UK

About Head First:

Head First provides access to mandatory training and client-specific training. Head First also provide 1:1 annual appraisals with adhoc supervision where required, full professional support, and 24/7 emergency on-call support. Head First have experienced payroll and human resources teams so support workers always have a point of contact for employment and pay queries.

Head-First do not directly employ support workers, but we recruit them on behalf of our clients, and our dedicated and experienced case managers are responsible for the day-to-day management of the support team. We provide access to mandatory training and brain injury specific training.
